“prior art.” If the Examiner applies the listed documents as prior art against any claim in the application and Applicants determine that the cited documents do not constitute “prior art” under United States law, Applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of such documents. Applicants further reserve the right to take appropriate action to establish the patentability of the claimed subject matter over the listed documents, should one or more of the referenced documents be applied against the claims of the present application.

Pursuant to 37 C.F.R. §§ 1.97(b)(3), Applicant’s Attorney states that this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits in the above-identified case.
